Supply Donations Needed

Toothbrushes - Each child receives a new toothbrush, so please donate any brushes you have available. The project uses 10,000 toothbrushes a year!

Anesthetic - We need large amounts of anesthetic and can use anesthetic close to the expiration date.

Amalgam - The project uses large quantities of amalgam which is always in short supply.

Instruments - The following instruments are always in demand.

Mirrors

Carvers

Explorers

Spoon excavators

Round burnishes

Condensers - small

Surgical instruments - most common varieties only.

Equipment - Amalgamators, and curing lights in working condition.

Supplies - The project uses a wide variety of common supplies including:

Face Masks

Gloves - all sizes

Gauze - 2 x 2s

Bibs

Bib clips

Dental Floss

Donations - Global Dental Relief is a 501(c)3 charitable organization. Supply and equipment contributions are gratefully accepted. Donations may be mailed to:
