SMILES FOR NEPAL

Arhaus is proud to partner with Global Dental Relief, a non-profit organization that provides vital care to children around the world. A recent service trip to Nepal was set in motion by donations from Arhaus and customers like you. Arhaus team members joined the Nepal team for a six-day clinic, serving children from remote, mountainous regions of Nepal. More than 1,300 children received much-needed dental care – and new smiles – from the dentists and other volunteers.

THANK YOU!
