

## Guatemala Antigua Dental Project 2019 - 2020

Working in partnership with the local community, we will set up a clinic in Ciudad Vieja, the former capital of Central America in the 1500's. Volunteers base out of Antigua and work for one week. After the clinic participants have two days to relax in a lush jungle eco-lodge on the banks of beautiful, world-renowned Lake Atitlan. Additional sightseeing options are also available.
